Training Committee Report

Our new year has brought out some of our established practices we have not had the full opportunity to use since December of 2019. The IDNR is hosting a Safety Education Programs Policy and Procedure Training Class on 2/25/2023- doors open at 1:30 p.m.

It will be held at the Rec Center of Flagg Rochelle Community Park District, 802 Jones Rd. Rochelle, IL 61068. This is part of the orientation process for new IDNR Hunter Safety Instructors in handling their paperwork and guidelines for the State. It will also introduce you to other Instructors, Master Instructors and our VSC, (Volunteer Service Coordinators). Seating is limited , so please contact brett.taylor@illinois.gov (309) 854-2453 or Dave Krause and myself. My contact information are as follows: davidpaulinski@gmail.com or 773-858-3917

In order to become an Instructor, you must fill out an application, permission to do a Background Check, instruct at least 5 subjects under the direction of a Master Instructor and attend one of these Orientation Classes. To keep your rank you must teach at least one subject within a two-year period afterwards.

I can not express the reward you will receive from the kids, their parents, grandparents, aunts and uncles. Plus we are introducing the next generation to hunting, shooting sports, firearm safety, and natural resource responsibility and stewardship. There is no downside.

Our training schedule is almost ready, and I will have the Newark Sportsman's Club Field Day times on 3/11/23. I am also giving a Conceal Carry Class on 2/18-19 at our club. Renewal will be on 2/19/23. Please contact me if you wish to join the class. I would like to have at least 4 members to hold this event. To date I have 3. I promise you will enjoy the event.
