

Next Steps Trap Class

You have completed the Naperville Park District's Trap Fundamentals Class or have participated in another first steps shotgun program – Now What?

We have developed the **Next Steps Trap Class**

Naperville Sportsman's Club Training Instructors are available for everyone, from beginners just starting out to advanced shooters looking to improve their game.

What's Included:

- 90 minutes of classroom instruction
- Two (2) rounds of Trap (50 shots of live fire)
- One-on-one instruction, while on the firing line.
- Basic gun fit assistance if you need it.
- Eye dominance clarification
- Instructions and reinforcement on the fundamentals if you need them.
- Instructions on basic lead and sight picture if you need it.
- Instructions based on your specific requests.
- Instruction on safe gun handling and etiquette
- Use of required eye & hearing protection if you need it.
- Use of a NSC Training Team shotgun (12ga or 20ga only) if you need one*
- Two (2) boxes of shotgun shells for use during class*
- Targets thrown during the class.

*Shotgun ammunition (12ga or 20ga only) must be purchased from Naperville Park District for use during this class or in our training guns. No reloads or outside ammunition allowed during this class.

All the above for just \$50.00 per person

(space is limited registration required)

Sunday May 25th, 2025

10:30 AM – 2:00 PM
